Agenda to be developed, but will likely be similar to our March 24 meeting agenda. Please feel free to suggest agenda topics.

Richard M. and Ed, we have drafted meeting notes from the March 24 quarterly meeting which I have distributed to those that attended that meeting. I will forward them to you after others have a chance to review and provide comments. You should have the meeting notes from the December meeting; if you don't have those handy let me know and I can forward them back out to you.

Thanks
